PROJECTS
<p>The revisions to Suzuki Recorder Book 1 are now complete and we will be circulating it to Suzuki Recorder teachers in 2025.</p> <p>The Recorder Teacher Trainers held another successful worldwide online conference in March 2024. Our next online gathering will be in February, 2025. It continues to be popular with over 80 Recorder teachers attending.</p>
ITEMS FROM ISA RECORDER COMMITTEE
<p>The five Recorder Teacher Trainers continue to meet regularly every 2 to 3 months to discuss ongoing Suzuki Recorder matters.</p>
DEVELOPMENT OF RECORDER IN ESA REGION
<p>There is no Level 1 course running for the BSMA this year but I am hoping to start one in 2025.</p> <p>I continue to teach an Independent course for Levels 2, 3, 4 & 5. This is now in its 2nd year and has been running smoothly.</p> <p>My last visit to Iceland will be in April 2025 and the trainees will be assessed in July 2025. Both my trainees and I prefer this Continual Assessment option, and I think I will be repeating it in future courses.</p> <p>Jaap Delver has completed his first Level 1 course in Holland and has started a Level 2 course with both his trainees this year.</p>
