

International Suzuki Association

Twinkle Graduation Sticker Design Competition

The **International Suzuki Association** is excited to launch the **Twinkle Graduation Sticker Design Competition**, celebrating a key milestone in the Suzuki Method: learning *Twinkle, Twinkle, Little Star Variations and Theme*. Twinkle Graduation marks the foundation of a student's musical journey, and we encourage teachers worldwide to mark this moment with a special graduation sticker.

This competition invites artists of all ages to design the official ISA Twinkle Graduation Sticker, a keepsake to honour Suzuki students' achievements. The winning design will be shared globally for use by Suzuki teachers, programs and schools!
