## UNIVERSITY COURSE COMMITTEE (2024) Terms of Reference

### **PURPOSE**

The purpose of the Committee is to research the possibilities of SUZUKI™ Teacher Training within a University Curriculum.

The Committee is established due to an interest being expressed by a number of universities in the region of including SUZUKI™ Teacher Training in their curriculum.

### **OBJECTIVES**

- To investigate the level of interest in University SUZUKI™ Teacher Training courses in the region
- To research the possibilities for a University SUZUKI™ Teacher Training course
- To explore the implications of University SUZUKI™ Teacher Training courses on Suzuki Teachers and Teacher Trainers in the region
- To develop a model contract between national Suzuki associations and Universities to include all relevant ESA regulations e.g. Syllabus, Exams, Examiners etc -

### **MEMBERSHIP**

- Committee members to be proposed by Country Directors on behalf of national Suzuki associations.
- Committee members to be selected and appointed by the ESA Board
- Number of Committee members 3 to 5
- Selection and appointment process for the Chair to be decided by the Committee members

### **DELEGATING TASKS AND POWERS**

The University Course Committee acts as an advisory body to the ESA Board

### **ACCOUNTABILITY**

The Committee will report to the ESA Board twice a year at the Annual Board meeting in March/April and the Interim Board Meeting in October each year

### **MEETINGS**

The frequency of meetings, who can arrange meetings and the procedures for recording the business of the committee is decided and organised by the Committee members.

### **REVIEW**

The relevance and value of the committee's work and the terms of reference will be reviewed annually at the Board Meeting in April/March.
