PROJECTS
<p>Considering the recent realisation of a “Conversion course”, in which qualified Suzuki Violin Teachers are able to attend a short course, followed by an examination that qualifies them as Viola teachers, I propose the <i>Conversion</i> from violin to mandolin through the “Leone Project”, submitted to ESA in December 2015.</p>

DEVELOPMENT OF MANDOLIN IN ESA REGION
<p>Since the Suzuki National meeting of November 2016 at Cuneo, a training course has been started for two mandolin-certified teachers: Enrico Capano of Naples and the German Sabine Spath currently residing near Sanremo in Liguria.</p> <p>The training course ended in November 2017 with the ESA exam in Saluzzo. The positive and enthusiastic outcome of the candidates gives hope for a development of the mandolin in Liguria and southern Italy.</p>
