PROJECTS
Suzuki Trumpet School, Volume 3 is under development. A group of interested teachers and the ISA Brass Committee are working on the book, which will be in its first draft in July 2021.
ITEMS FROM ISA BRASS COMMITTEE
<p>Suzuki Trumpet School, Volume 1 is still not released. Our work is over but an error in the sound quality of the recording still has to be fixed.</p> <p>The new Brass committee has started to work. It feels hopeful and has started very well. The Brass committee is now 1 trumpet ESA, 1 trumpet SAA, 1 trombone ESA and 1 French horn SAA.</p> <p>Our contact with SAA has given good results concerning certification of teachers on the different instruments and about registration to the courses. It is almost as good as ESA.</p>
DEVELOPMENT OF BRASS IN ESA REGION
<p>Not so much has happened this year except three more level 2 teachers. They took their exam online in November 2020.</p> <p>In ESA region there are now 35 teachers in 12 countries, Austria, Denmark, Estonia, France, Great Britain, Germany, Norway, Poland, Slovenia, Spain, Sweden, Island, Denmark.</p> <p>There are 3 trombone teachers, one Euphonium, 2 French horn teachers and the rest trumpet teachers. Eight teachers have now level 2.</p> <p>In August 2021, postponed from 2020, the first Level 3 course will be held. We are looking forward to that as it will be the starting point for upcoming applications to become some kind of interim teacher trainer.</p>
