### DEVELOPMENT OF RECORDER IN ESA REGION

Currently I have Recorder teachers training at Level 1 and Level 5 from England and Italy.

I am again promoting a new level 1 course which I hope to start in August 2019. Up to date I have trained 23 Recorder teachers from 9 countries and 16 of these have gone on to Level 2 and above.

Jaap Delver from Holland is now applying to become a Teacher trainer. He has been working with me over the last year and a half on the BSI Recorder Training course.
