ORGANISATION

Every flute, violin, viola and cello player (strings up to book 5) who has studied the Suzuki repertoire, is welcome: expect a 5 days program filled with individual lessons, group lessons, chamber music, concerts and more!

We start with a play-in together on Tuesday August 16 at 4pm to play together our favorite music pieces and get to know each other better. The workshop ends after the final concert on Saturday August 20 at 11am where families and friends are invited to come and listen.

Students under the age of 10 (born in 2013 or later) must be accompanied by an adult to look after them. Parents may choose another known adult present during the course who agrees to be responsible for their own child. Participants aged 10 (born in 2012) and over are allowed without parental/adult accompaniment. All parents will get household regulations in duplicate.
