Sunday 27th February 2022

The Suzuki community in New South Wales, Australia offers our solidarity and prayers to our colleagues and friends of the Ukrainian National Suzuki Association.

A small group of teachers and students gathered in Sydney today to record a performance of "Song of the Birds". We are sorry it is not much given the graveness of the situation you are all facing. However, we felt we must do something immediately after learning of the invasion taking place in your homeland. We hope that it can help sustain you in what are unimaginable circumstances.

We in the Suzuki world know that beauty is a powerful counterforce to the ugliness of violence. We also know that we are all brothers and sisters of one human race. As Maestro Pablo Casals once said, "We must work to make the world worthy of its children".

This is the work we undertake every day as Suzuki teachers and parents to nurture noble hearts and minds, that know truth and beauty and can serve their neighbours.

We will continue without ceasing to dedicate ourselves to the mission of a better world, a world of peace where we can one day all play together again.

Until that day we will continue to pray and play for you with all our hearts.

Sincerely,

Haruo Goto

President
